

DArT Genetic ID Sample Submission - Small Order

Terms and Conditions

For Plant, Animal or Fungi Tissue Samples

For Small Orders Shipped Within Australia Only #

Due to strict Australian quarantine laws this service is for within Australia only – See Online Ordering for other options

Clear Identification

- The organism type and sample name **must** be clearly provided in the parcel for each sample;
- Your contact and address details must be clearly provided;
- Should we need to contact you, during business hours (AEST), regarding your shipment please provide a reliable contact telephone number;
- Order processing will be conducted in accordance to your supply and labelling of samples.

Samples

- Samples from different organisms must not be mixed (e.g. wheat and barley samples);
- Samples must be clear of any insects or contamination;
- Should packaging be damaged or samples packaged in a way that sample integrity cannot be assured we will not be able to process your order;
- If wanting to check your sample against a reference, please either check that we have the reference to check against, or provide your own.

Service Limitation

- This service is for shipment of material (seed, plant tissue, animal tissue, fungi) within Australia ONLY;
 - The service is limited to a maximum number of 10 samples.
-
